### What are the selection criteria?

An independent selection committee will evaluate the **Complete** applications and select recipients considering:

- Essay
- Community involvement
- Academic achievements

Scholarship recipients are chosen by an independent committee of Duchenne community members. The scholarship program is administered by International Scholarship and Tuition Services (ISTS), Inc., a firm that specializes in managing sponsored scholarship programs. This ensures complete impartiality in the selection of recipients and to maintain a high level of professionalism. The scholarship selection panel will be blinded to the name of the individual applicant, as well as whether the applicant has received, or plans to receive a Sarepta Therapy. Please note: If you applied to the program in previous years, you must submit a different reference and a different essay than were previously submitted.

*Decisions of the selection committee are final and are not subject to appeal. No application feedback will be given.*

### What are the Essay Topics for this year's application?

The essay theme this year is "The Power of Perspective". You will be asked to select a topic below for your application essay.

1. Think of something in your daily life that most people overlook- a routine, object, or tradition. What does it reveal about your personal values, and how might its meaning change when viewed through the eyes of someone outside your experience?
2. Your unique perspective is your superpower. What do you call this superpower, and how does it influence those around you? Tell a story of when you put it into action or were able to share the impact of this perspective with another.
3. Describe a topic, idea, or concept you find so engaging that it makes you lose all track of time. Why does it captivate you? What or who do you turn to when you want to learn more?

### What are the details of the award?

- Up to 20 scholarships will be awarded to U.S. applicants. The award amount is up to \$5,000. All scholarships will be awarded one time, the award is not renewable and cannot be distributed for multiple years of matriculation.
- Scholarships will be applied to tuition, fees, books, and supplies required for course work at accredited institutions in the United States. These institutions include: two-year colleges, four-year colleges, vocational schools, technical schools. Students may transfer from one institution to another and retain the award.

Your funds will be issued via check in early August. Your check will be made payable to your institution listed on your **My Profile** page only. *Your scholarship check cannot be made payable to you, the applicant.* The check will be mailed to your home address so that you may deliver it to the correct office at your institution. You will receive an email notification once your funds have been issued.

**How do I change my college choice?**

Make sure your **My Profile** page indicates your final college choice. It is your responsibility to make sure your **My Profile** page is correct at least 30 days prior to the check issue date listed above. If your scholarship check needs to be reissued for any reason, a reissue fee may apply.

## Application Details

---

### Which school should I list on the application if I have not made a final decision?

You should list your first-choice school on the application. You can change your college choice any time prior to the application deadline. If selected as a recipient, you will be asked to confirm your final school choice. If your school changes after the acceptance deadline, you will be able to update this information on your **My Profile** page.

### What are the differences between Official and Unofficial Transcripts?

**Official transcripts** must be obtained through your high school administration office, or your college registrar office. Transcripts are normally printed on official letterhead and/or state that they are official. Transcripts may contain or require a signature.

*Note: Your official transcript may come to you in a sealed envelope, stating it will become unofficial if opened. When scanning or copying your official transcripts, a watermark may appear noting that they are now unofficial. **Despite any watermarks or sealed envelopes, you may open the envelope if needed to upload the document. These documents will be considered official for our purposes.** Acceptable file types are **.pdf, .tif, .png, .jpeg, .jpg, .bmp and .xps**. When scanning or copying, you do not need to include a copy of the sealed envelope.*

**Unofficial transcripts** may be accessed through your school's online student portal. These pages must still be converted to one of the acceptable file formats. **Unofficial transcripts must contain your name.**

### What supporting documentation is required for this application?

- High School Transcript: **Incoming College Freshmen and Sophomores only.**
- College/University Transcript: **Incoming College Sophomores, Juniors, Seniors, and Graduate Students only.**

Please note that if you are a recipient of a Route 79, The Duchenne Scholarship Program, we will be announcing names, schools and photographs on our website and through social media. By submitting this application, you are agreeing to have your photograph, name and school published via a Sarepta press release, on our website and via our social media pages.
- Medical Verification Form: **All applicants.**

## Notifications

---

### How will I be notified about the status of my application?

Notifications are sent primarily via email to the email you used to create your account and a secondary email if entered on the application. **Ultimately, it is your responsibility as the applicant to verify your application status on your Home page is Complete.**

### What notifications will be sent to me?

- **Deadline Reminders:** Deadline reminder emails will be sent prior to the application deadline.
- **Selection Results:** Selection results notifications are sent to all **Complete** applicants.
- **Funds Disbursed:** Once your funds have been issued, you will be notified.
- **Other Scholarships:** Occasionally, if you meet the requirements for another scholarship administered by ISTS, you will be notified. These notifications are not guaranteed.

*Your information is never sold to any third party for marketing purposes.*

### Who will notifications be sent from?

You will receive notifications from two possible ISTS email addresses: [donotreply@applyISTS.com](mailto:donotreply@applyISTS.com) and [ContactUs@applyISTS.com](mailto:ContactUs@applyISTS.com). You should add both of these email addresses to your “safe senders list” to ensure important emails are not sent to your spam or junk folder.

### When will I receive notifications?

Notifications vary by program based on the Program timeline. Refer to the Program timeline listed above for more specific information. Typically, you will receive up to 3 reminders.

### Can I opt out of notifications?

While you can opt out of notifications, this is **not advised**. It is your responsibility as the applicant to ensure your application is **Complete**. If you opt out of notifications, you will not receive deadline reminders or selection results. **Your information is never sold to any third party.** The only emails you will receive from ISTS are directly related to your application and, *possibly*, other scholarship opportunities.

## Document Upload

---

### Where and when should I send my supporting documents?

All required supporting documents must be uploaded to your online application by the application deadline. If you do not follow the upload instructions exactly, your application may remain incomplete. Documents that meet the criteria required for this application that are uploaded by the deadline will be processed and considered on time.

All uploaded documents **must** show your name. If you are using an online portal to access your required documentation and all that is visible is the salutation and your first name (Example: Welcome Joe!), this will meet the name requirement.

### What are the acceptable file types?

The only acceptable file types are **.pdf, .tif, .png, .jpeg, .jpg, .bmp and .xps**. Any other formats will not be reviewed, and your application will remain incomplete. You may upload multiple files within a .zip file. All files within a .zip file must be in one of the acceptable file types listed above.

### Why can't I upload a Word document?

ISTS does not accept any file format that is editable.

### One of the documents I uploaded has a status of Rejected. What do I do now?

### How do I upload more than one file at a time?

You may create a .zip file containing more than one file as long as everything included is in an acceptable file type of **.pdf, .tif, .png, .jpeg, .jpg, .bmp and .xps**. Do not upload additional documentation that is not requested. It will not be reviewed.

### How do I create a .zip file?

To use this format, follow the steps outlined below:

1. Create a new folder on your Desktop, name it the document type you will be uploading. For example, Test Scores, Transcript, or Financial Documentation.
2. Move all the files you wish to upload into the new folder.
3. Right click on the folder from your Desktop:
  - a. PC Users: select "Send to," followed by "Compressed (zipped) folder."
  - b. Mac Users: select "Compress [folder name]."
4. Your new **.zip** file will be located on your Desktop, ready to upload.

### **How long does it take to process my uploaded documents?**

Documents are processed daily. Your document will be processed within 1 business day. If your document was uploaded prior to the deadline, it will be considered. However, it is your responsibility to monitor your **Home page** to ensure your document is **Accepted**.

### **The deadline has passed and my documents are still Processing- what does that mean?**

All documents must be reviewed for the required information and for accuracy. All documents uploaded prior to the application deadline will be reviewed and considered. It is your responsibility to monitor your **Home page** to ensure your document is **Accepted** and that your application status reads **Complete**.

### **What are the DOs and DON'Ts of uploading documents to my application?**

#### **DO:**

- Upload one of the accepted file types.
